

BLUE MOUNTAINS PHOTOGRAPHY GROUP FEBRUARY 2011

Image of the Year 2010: Dot Radley

WELCOME !!!

For some of us it's welcome back, but for others it's welcome to our club. We have a really exciting and hopefully educational year planned. The committee have been working hard to get things together.

Some things in the previous draft of the program have changed, and some are still to be verified. Please be patient and check the website www.bmpg.com.au for the most up to date details.

We have re-stocked the Library. This has been a long time coming, but has finally happened. Books (some new) and now DVD Photoshop tutorials are available. If you wish to borrow anything just select the item and write the details in the borrowers book. This is an honesty system and does really on members returning items borrowed. Please make sure you return things as soon as you are finished with them.

For all members, but especially the 'old ones' (yes Mike....I know you're young!!!) remember for competition/exhibition nights it is only FOUR images maximum. Details are on the website.
